

The White ware Collection
by
DANKOTUWA

Nature is the source of our designs. We at Dankotuwa take a step forward in creating that inspiration into fine porcelain which transcends time. Our shape inspired by nature exemplifies innovation. Each piece we create is bespoke, modern yet elegant. Looking at the world we live in, and finding a way to integrate it into a design requires seeing nature from a new and very unique perspective.

We pride ourselves as trendsetters in the global tableware industry. The state-of-the-art designs and shapes complement individual lifestyles. These beautiful shapes, are a stark reminder of the spirit of innovation and crafted with mastery and finesse.

The transformation of an idea into a symbol that adorns your table reveals the spectacular story of Dankotuwa Porcelain. Shaping and transforming each masterpiece is a meticulous task, in which we take great pride. Our designs, have evolved, over the past three decades, providing a modern look and trend whilst fulfilling the demands of consumers and retail outlets around the world.
